RE: Airport Operations/Based Aircraft Forecast Approval

Dear Eric,

TxDOT Aviation completed a review of the annual operations and based aircraft forecast information provided by your office for Kerrville Municipal-Louis Schreiner Field (ERV). We found the forecast to be supported by reasonable planning assumptions and current data and developed using acceptable forecasting methodologies. The forecast is approved for use in the Airport Layout Plan narrative report.

If you have any questions concerning this matter, please contact me at (806) 220-1572 or Daniel.Benson@txdot.gov

Sincerely,

Daniel Benson
